

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

### Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

### ARTICLE III.

Attempts to commit crimes.

Extradition shall also be granted for the attempt to commit one of the crimes above enumerated, and against any accomplice of these crimes or attempts at crimes, when such complicity and attempt are punishable by the laws of the Party demanding the extradition.

Accomplices.

### ARTICLE III.

L'extradition doit être aussi accordée pour tentative de commettre l'un des crimes précédemment énumérés et contre tout complice de ces crimes ou tentatives de crimes, lorsque la complicité, ainsi que la tentative, est punie par les lois de la Partie qui demande l'extradition.

### ARTICLE IV.

Neither party bound to deliver up its own citizens.

Neither of the Contracting Parties shall be obliged to deliver up its own citizens.

### ARTICLE IV.

Aucune des Parties Contractantes ne sera tenue de délivrer ses propres citoyens.

### ARTICLE V.

Persons under prosecution in country where found.

If the person claimed is under prosecution, either in the United States or Haiti, for any other crime than that upon which the demand for extradition is based, the extradition shall be postponed until the judgment is pronounced, and, if the person is convicted, until the sentence imposed is fully served or remitted.

The extradition may also be postponed when the person claimed is being prosecuted for a civil offense in the country of which the demand is made. In this case it will not take place until after the execution of the judgment or the remission of the penalty.

### ARTICLE V.

Si la personne réclamée est sous le coup d'une instruction judiciaire soit aux Etats-Unis, soit à Haiti, pour tout autre crime que celui qui a motivé la demande d'extradition, il sera différé à l'extradition jusqu'à ce que le jugement soit prononcé, et, s'il y a condamnation, jusqu'à ce que la peine infligée soit entièrement servie ou remise.

L'extradition pourra être aussi différée quand la personne réclamée est, dans l'Etat requis, l'objet d'une poursuite à fin d'emprisonnement civil. Elle n'aura, dans ce cas, lieu qu'après exécution du jugement ou remise de la condamnation.

## ARTICLE VI.

A fugitive who shall have been claimed at the same time by two or more States, shall be delivered up to the State which has first presented its demand; provided, that the government from which extradition is sought is not bound by treaty to give preference otherwise.

## ARTICLE VII.

The provisions of the present treaty shall not apply to offenses of a political character. The assassination or poisoning of the head of a government, or any other attempt against the life of the head of a government, shall not be considered as a crime of a political character.

A person whose extradition shall have been granted on account of one of the crimes mentioned in Article II of this Convention shall not, in any case, be tried for a political offense or for an act connected with a political offense committed prior to the demand for extradition, unless such person has had abundant opportunity to quit the country during the month following that in which he was set at liberty either as a result of acquittal, expiration of his sentence, or pardon.

## ARTICLE VIII.

A person surrendered cannot, without the consent of the State which has granted the extradition, be detained or tried in the State which has obtained his extradition, for any other crime or causes than those which have given rise to the extradition. This stipulation does not apply to crimes committed subsequently to the extradition.

However, a person who has had ample opportunity to quit the country which has obtained his extradition; and who shall be found there a month after his release by acquittal, the expiration of his sentence, or pardon, may be arrested and tried, without the

## ARTICLE VI.

Le fugitif qui aura été en même temps réclamé par deux ou plusieurs Etats sera livré à l'Etat dont la demande aura été présentée la première, à moins que l'Etat auquel la demande est adressée ne soit obligé par Traité d'accorder la préférence à l'une des Parties réclamautes.

Persons claimed by other countries.

## ARTICLE VII.

Les dispositions du présent Traité ne s'appliqueront pas aux infractions ayant un caractère politique.

No surrender for political offenses.

L'assassinat, l'empoisonnement d'un chef d'Etat, ou tout autre attentat contre la vie d'un chef d'Etat, ne sont point considérés comme des crimes ayant un caractère politique.

Une personne dont l'extradition aura été accordée pour l'un des crimes énumérés à l'article II de la présente Convention, ne pourra, en aucun cas, être jugée pour un fait politique ou pour un fait ayant rapport à un acte politique commis avant la demande d'extradition, à moins qu'elle n'ait eu pleine latitude de quitter le pays durant le mois qui suit sa mise en liberté par suite d'acquiescement, d'expiration de peine ou de pardon.

Art. p. 2860.

## ARTICLE VIII.

Une personne rendue ne peut être, sans le consentement de l'Etat qui a accordé l'extradition, détenue ou jugée, dans l'Etat qui a obtenu son extradition, pour un autre crime ou pour d'autres causes que ceux qui ont motivé l'extradition.

Trial to be only for offense for which extradited.

Cette stipulation ne s'applique pas aux crimes commis postérieurement à l'extradition.

Cependant la personne qui aurait pleine latitude de quitter le pays ayant obtenu son extradition et qui y serait trouvée un mois après sa mise en liberté par suite d'acquiescement, d'expiration de peine ou de pardon, pourra être arrêtée et jugée, sans le consente

consent of the State which has granted the extradition, for other crimes than those which have given rise to the demand for extradition.

ment de l'Etat qui avait accordé l'extradition, pour des crimes autres que ceux qui avaient motivé la demande d'extradition.

#### ARTICLE IX.

Application for provisional arrest.

In the United States.

Where the arrest and detention of a fugitive in the United States are desired on telegraphic or other information in advance of the presentation of the formal proofs, complaint on oath, as provided by the statutes of the United States, shall be made by an agent of the Haitian Government, before a judge or other magistrate authorized to issue warrants of arrest in extradition cases.

In Haiti.

In Haiti the diplomatic or consular agent of the United States shall address, through the Ministry of Foreign Relations, a complaint to the government commissioner or any other magistrate authorized to issue warrants of commitment. The provisional arrest and detention of a fugitive shall cease and the prisoner be released if a formal requisition for his surrender, accompanied by the necessary evidence of criminality, has not been produced under the stipulations of this Convention within sixty days from the date of his arrest.

#### ARTICLE IX.

Quand l'arrestation et la détention d'un fugitif seront demandées aux Etats-Unis sur requête télégraphique ou autre précédant la présentation des preuves formelles une plainte sous serment, comme l'exigent les statuts des Etats-Unis, sera faite par un agent du Gouvernement haitien pardevant un juge ou tout autre magistrat autorisé à émettre des mandats d'arrêt dans les cas d'extradition.

A Haiti, l'agent diplomatique ou consulaire des Etats-Unis adressera, par l'intermédiaire du Ministère des Relations Extérieures, une plainte au Commissaire du Gouvernement ou à tout autre magistrat autorisé à émettre des mandats de dépôt.

L'arrestation et la détention provisoires du fugitif prendront fin et le prisonnier sera mis en liberté si la demande formelle de son extradition, accompagnée des preuves nécessaires du crime, n'a pas été faite conformément aux stipulations de la présente Convention et dans les soixante jours de la date de l'arrestation.

#### ARTICLE X.

Requisitions.

Every demand for extradition shall be made through the diplomatic agents of the High Contracting Parties. In case of absence or impediment of these agents, the demand may be presented by the consuls. This demand shall be acted on in conformity with the laws of each of the Parties. Nevertheless, if the person demanded has already been sentenced for one of the crimes hereinbefore enumerated, the requisition shall be merely accompanied by the sentence, duly certified by the competent authority of the State demanding the extradition.

#### ARTICLE X.

Toute demande d'extradition sera faite par l'entremise des agents diplomatiques des Hautes Parties Contractantes. En cas d'absence ou d'empêchement de ces agents, la demande pourra être présentée par les Consuls.

Cette demande sera instruite conformément aux lois de chacune des Parties.

Néanmoins s'il s'agit d'une personne déjà condamnée pour l'un des crimes précédemment énumérés, la réquisition sera seulement accompagnée du jugement de condamnation dûment certifié par l'autorité compétente de l'Etat qui réclame l'extradition.

## ARTICLE XI.

In the investigation which they may have to make, according to their own laws, the authorities of the State of which the demand is made who are qualified to decide on the demand for extradition, shall admit as entirely valid evidence all depositions or declarations of witnesses coming from the other State, or copies thereof, and warrants issued, provided these documents are signed or certified by a competent magistrate or officer of the State making the demand.

## ARTICLE XII.

The objects found in the possession of the fugitive and which were obtained by the perpetration of the crime with which he is charged, or which may serve to prove his crime, shall be seized at the time of his arrest and delivered together with his person to the party demanding the extradition. Nevertheless, the rights of third persons to the articles so found shall be respected.

## ARTICLE XIII.

The expenses of detention, procedure, and delivery, incurred in virtue of the preceding articles, shall be borne by the demanding Party. It is agreed, however, that the State making the demand shall have nothing to pay to the officers of the State to which the demand is addressed who receive fixed salaries; officers who, having no fixed salary, receive fees, shall not demand any other fees than those generally charged in ordinary criminal procedures.

## ARTICLE XIV.

The stipulations of the present treaty are applicable to the insular possessions of the United States. In this case the demand shall be addressed to the Governor or principal authority of the possession by the consul of Haiti.

## ARTICLE XI.

Dans l'instruction qu'elles peuvent avoir à faire, suivant leur législation propre, les autorités qui, dans l'Etat requis, auront qualité pour décider sur la demande d'extradition admettront comme preuve entièrement valide toutes les dépositions ou déclarations de témoins provenant de l'autre Etat, copies de ces dernières et les mandats émis, pourvu que ces documents soient signés ou certifiés par un magistrat ou un officier compétent de l'Etat qui fait la demande d'extradition.

Evidence required.

## ARTICLE XII.

Tous les objets trouvés en la possession du fugitif et qui proviennent de la perpétration du crime dont il est accusé ou qui peuvent servir à prouver ce crime, seront saisis lors de son arrestation et remis avec sa personne à la Partie qui fait la demande d'extradition.

Disposal of articles seized with person.

Néanmoins les droits que des tiers pourraient avoir sur ces objets seront respectés.

## ARTICLE XIII.

Les frais de détention, de procédure et de remise, faits en vertu des articles précédents, seront à la charge de la Partie demanderesse.

Expenses.

Il est cependant convenu que l'Etat qui fait la demande n'aura rien à payer aux fonctionnaires de l'Etat auquel la demande est adressée et qui reçoivent des appointements fixes; les fonctionnaires qui, n'ayant pas d'appointements fixes, reçoivent des frais, ne pourront pas réclamer des frais autres que ceux généralement perçus dans les procédures criminelles ordinaires.

## ARTICLE XIV.

Les stipulations du présent Traité sont applicables aux possessions insulaires des Etats-Unis. En ce cas la demande d'extradition est adressée au Gouverneur ou à la principale autorité de la possession par le Consul d'Haiti.

Applicable to United States insular possessions.

## ARTICLE XV.

Effect.

The present treaty shall remain in force until it is denounced; it shall cease to bind the Parties six months after one of them shall have notified its intention to terminate it.

## ARTICLE XV.

Le présent Traité restera en vigueur jusqu'à ce qu'il soit dénoncé; il cessera de lier les Parties six mois après que l'une d'elles aura notifié son intention d'y mettre fin.

## ARTICLE XVI.

Exchange of ratifications.

The present treaty shall be approved and ratified by the competent authority of each of the High Contracting Parties, and the ratifications shall be exchanged at Washington as soon as possible.

Cette encaisse sera constituée pour au moins un tiers en or ou monnaie or.

ART. 33. La Banque remplira, à l'exclusion de toute autre banque ou établissement de crédit, les fonctions de trésorier-payeur de l'Empire. A cet effet, le Gouvernement marocain prendra les mesures nécessaires pour faire verser dans les caisses de la Banque le produit des revenus des douanes, à l'exclusion de la partie affectée au service de l'Emprunt 1904 et des autres revenus qu'il désignera.

Quant au produit de la taxe spéciale créée en vue de l'accomplissement de certains travaux publics, le Gouvernement marocain devra le faire verser à la Banque, ainsi que les revenus qu'il pourrait ultérieurement affecter à la garantie de ses emprunts, la Banque étant spécialement chargée d'en assurer le service, à l'exception toutefois de l'Emprunt 1904 qui se trouve régi par un Contrat spécial.

ART. 34. La Banque sera l'agent financier du Gouvernement, tant au dedans qu'au dehors de l'Empire, sans préjudice du droit pour le Gouvernement de s'adresser à d'autres maisons de banque ou établissements de crédit pour ses emprunts publics. ART. 34. The Bank shall be the financial agent of the Government both within and without the Empire, without prejudice to the Government's right to apply to other banking houses or establishments of credit for its public loans. The Bank shall likewise open a credit account for the Government for the period of ten years, to date from its establishment, such account not to exceed two-thirds of its initial capital.

**Interest, etc.**

Ce crédit sera réparti sur plusieurs années et employé en premier lieu aux dépenses d'installation et d'entretien des corps de police organisés conformément aux décisions prises par la Conférence, et subsidiairement aux dépenses de travaux d'intérêt général qui ne seraient pas imputées sur le fonds spécial prévu à l'article suivant.

This credit account shall be distributed over several years and employed primarily for the expenses of establishing and maintaining the bodies of police, organized in conformity to the decisions adopted by the conference, and secondarily for the expenses of such works of public interest as might not be charged to the special fund as provided for by the following article:

Le taux de ces deux avances sera au maximum de sept pour cent, commission de banque comprise, et la Banque pourra demander au Gouvernement de lui remettre en garantie de leur montant une somme équivalente en Bons du Trésor.

The maximum rate for these two advances will be 7 per cent, bank commission included, and the Bank may ask the Government to give as security an equal amount in Treasury notes.

**Loan.**

Si, avant l'expiration des dix années, le Gouvernement marocain venait à contracter un emprunt, la Banque aurait la faculté d'obtenir le remboursement immédiat des avances faites conformément au deuxième alinéa du présent article.

If before the expiration of the said term of ten years the Moorish Government should contract a loan, the Bank would have the right to obtain the immediate reimbursement of its advances made in accordance with the second paragraph of the present article.

The said capital may thereafter be increased at one or more times by a decision of the General Assembly of Shareholders.

The subscription to the increased capital shall be reserved for all shareholders, without distinction of groups, in proportion to their individual holdings.

ART. 56. The initial capital of the Bank shall be divided into as many equal parts as there are participants among the powers represented at the conference.

To this end, each power shall designate a bank which shall exercise either for itself or for a group of banks the above-specified right of subscription, as well as the right of nomination of the Directors, as provided in article 50. Any bank selected as head of a group may, with its Government's authorization, be superseded by another bank of the same country.

States wishing to avail themselves of their rights of subscription must notify such intention to the Royal Government of Spain within a period of four weeks from the signature of this act by the representatives of the powers.

Two parts, however, equal to those reserved to each of the subscribing groups, shall be assigned to the *consortium* of banks signatory of the contract of June 12, 1904, in compensation for the cession which shall be made by the *consortium* to the State Bank of Morocco:

L'Assemblée générale constitutive de la Société aura lieu dans un délai de deux mois, à partir de la ratification du présent Acte.

La rôle du Comité spécial cessera aussitôt après la constitution de la Société.

Le Comité spécial fixera lui-même le lieu de ses réunions.

ART. 58. Aucune modification aux Statuts ne pourra être apportée si ce n'est sur la proposition du Conseil d'Administration et après avis conforme des Censeurs et du Haut Commissaire Impérial.

Ces modifications devront être votées par l'Assemblée Générale des Actionnaires à la majorité des trois quarts des membres présents ou représentés.

Le taux de cette retenue sera fixé, d'un commun accord, par le Makhzen et le Corps Diplomatique à Tanger.

Property rights of  
foreigners.

ART. 60. Conformément au droit qui leur a été reconnu par l'article 11 de la Convention de Madrid, les étrangers pourront acquérir des propriétés dans toute l'étendue de l'Empire Chérifien et Sa Majesté le Sultan donnera aux autorités administratives et judiciaires les instructions nécessaires pour que l'autorisation de passer les actes ne soit pas refusée sans motif légitime. Quant aux transmissions ultérieures par actes entre vifs ou après décès, elles continueront à s'exercer sans aucune entrave.

In open ports.

Dans les ports ouverts au commerce et dans un rayon de dix kilomètres autour de ces ports, Sa Majesté le Sultan accorde, d'une façon générale, et sans qu'il soit désormais nécessaire de l'obtenir spécialement pour chaque achat de propriété par les étrangers, le consentement exigé par l'article 11 de la Convention de Madrid.

Other places.

A Ksar el Kebir, Arzila, Azemour et, éventuellement, dans d'autres localités du littoral ou de l'intérieur, l'autorisation générale ci-dessus mentionnée est également accordée aux étrangers, mais seulement pour les acquisitions dans un rayon de deux kilomètres autour de ces villes.

Erection of buildings.

Partout où les étrangers auront acquis des propriétés, ils pourront élever des constructions en se conformant aux règlements et usages.

Deeds.

Avant d'autoriser la rédaction des actes transmissifs de propriété, le Cadi devra s'assurer, conformé-

(b) At places where it shall effectively be collected from Moorish subjects.

The consular authorities shall retain a certain percentage of the receipts of the taxes they collect from those subject to their jurisdiction to cover the cost of tax bills and collection.

The rate of such percentage shall be fixed by mutual agreement between the Maghzen and the Diplomatic Body at Tangier.

ART. 60. In accordance with the right granted by article 11 of the Madrid Convention, foreigners shall have the right to acquire property throughout the Shereefian Empire, and His Majesty the Sultan shall issue to his administrative and judicial officers such instructions as may be necessary for them not to refuse the registration of deeds without lawful cause. Subsequent transfers, either by deeds between living parties or by death, shall continue without hindrance.

In the ports open to commerce and within a radius of ten kilometers around such ports, His Majesty the Sultan, generally and without it being necessary henceforth for foreign subjects to obtain a special permission for each purchase of property, now grants the consent required by article 11 of the Madrid Convention.

At Ksar el Kebir, Arzila, Azemour, and eventually in other towns of the coast or the interior, the general authorization stated above is likewise granted to foreigners, but only for purchasers within a radius of two kilometers around those towns.

Wherever foreigners may have acquired property they will be permitted to erect buildings in compliance with regulations and usage.

Before authorizing the execution of deeds for transferring property, the Cadi will have to satisfy him-

ment à la loi musulmane, de la régularité des titres.

Le Makhzen désignera, dans chacune des villes et circonscriptions indiquées au présent article, le Cadi qui sera chargé d'effectuer ces vérifications.

ART. 61. Dans le but de créer de nouvelles ressources au Makhzen, la Conférence reconnaît, en principe, qu'une taxe pourra être établie sur les constructions urbaines.

Une partie des recettes ainsi réalisées sera affectée aux besoins de la voirie et de l'hygiène municipales et, d'une façon générale, aux dépenses d'amélioration et d'entretien des villes.

La taxe sera due par le propriétaire marocain ou étranger sans aucune distinction; mais le locataire ou le détenteur de la clef en sera responsable envers le Trésor marocain.

Un règlement édicté, d'un commun accord, par le Gouvernement chérifien et le Corps Diplomatique à Tanger, fixera le taux de la taxe, son mode de perception et d'application et déterminera la quotité des ressources ainsi créées qui devra être affectée aux dépenses d'amélioration et d'entretien des villes.

À Tanger, cette quotité sera versée au Conseil sanitaire international, qui en règlera l'emploi jusqu'à la création d'une organisation municipale.

ART. 62. Sa Majesté Chérifienne, ayant décidé en 1901 que les fonctionnaires marocains, chargés de la perception des impôts agricoles, ne recevraient plus des populations *ni sokhra ni mouna*, la Conférence estime que cette règle devra être généralisée autant que possible.

ART. 63. Les Délégués chérifiens ont exposé que des biens habous ou certaines propriétés domaniales, notamment des immeubles du Makhzen, occupés contre paiement de la redevance de six pour cent, sont détenus par des ressortissants étrangers, sans titres réguliers ou en vertu de contrats sujets à révision. La Conférence, désireuse de remédier à cet état de

self of the validity of the title in conformity to the Mohammedan law.

The Maghzen shall designate in each city and district specified in this article the Cadi who shall have charge of such verification.

Verification.

ART. 61. With a view to creating new resources for the Maghzen, the conference recognizes in principle that a tax may be established on city buildings.

Building taxes.

A part of the receipts thus realized shall be set aside for the requirements of municipal streets and hygiene, and generally for the expense of improvement and conservation of the cities.

The tax is due from the Moorish or foreign owner, without distinction, but the tenant or the holder of the key shall be responsible to the Moorish Treasury.

Regulations issued jointly by the Shereefian Government and the Diplomatic Body at Tangier shall establish the rate, its method of collection and application, and shall determine the quota of revenue thus created which shall be devoted to the expense of improvement and conservation of the cities.

At Tangier this quota shall be turned over to the International Sanitary Council, which shall decide as to its use until the creation of a municipal organization.

ART. 62. His Shereefian Majesty having decided in 1901 that the Moorish officials who collect the agricultural taxes should no longer receive either the "*sokhra*" or the "*mouna*," the conference is of the opinion that this rule should be made general, so far as is possible.

Agricultural taxes.

ART. 63. The Shereefian delegates have stated that habous property, or certain State property, notably buildings of the Maghzen, occupied at a rental of 6 per cent, are held by persons subject to foreign jurisdiction without regular title or by virtue of contracts subject to revision. The conference, desirous of remedying this state of affairs, charges

choses, charge le Corps Diplomatique à Tanger de donner une solution équitable à ces deux questions, d'accord avec le Commissaire spécial que Sa Majesté Chérifienne voudra bien désigner à cet effet.

Taxes on trade, etc.

ART. 64. La Conférence prend acte des propositions formulées par les Délégués chérifiens au sujet de la création de taxes sur certains commerces, industries et professions.

Si, à la suite de l'application de ces taxes aux sujets marocains, le Corps Diplomatique à Tanger estimait qu'il y a lieu de les étendre aux ressortissants étrangers, il est, dès à présent spécifié que les dites taxes seront exclusivement municipales.

Stamp taxes, etc.

ART. 65. La Conférence se rallie à la proposition faite par la Délégation marocaine d'établir avec l'assistance du Corps Diplomatique:

a) un droit de timbre sur les contrats et actes authentiques passés devant les *adoul*;

b) un droit de mutation, au maximum de deux pour cent, sur les ventes immobilières;

c) un droit de statistique et de pesage, au maximum de un pour cent *ad valorem*, sur les marchandises transportées par cabotage;

d) un droit de passeport à percevoir sur les sujets marocains;

e) éventuellement, des droits de quais et de phares dont le produit devra être affecté à l'amélioration des ports.

Tax on imports.

ART. 66. A titre temporaire, les marchandises d'origine étrangère seront frappées à leur entrée au Maroc d'une taxe spéciale s'élevant à deux et demi pour cent *ad valorem*. Le produit intégral de cette taxe formera un fonds spécial qui sera affecté aux dépenses et à l'exécution de travaux publics, destinés au développement de la navigation et du commerce en général dans l'Empire chérifien.

The programme of works and their order of priority shall be determined jointly by the Shereefian Government and the Diplomatic Body at Tangier.

Les fonds de la caisse spéciale seront déposés à la Banque d'Etat du Maroc qui en tiendra la comptabilité.

Les adjudications publiques seront passées dans les formes et suivant les conditions générales prescrites par un Règlement que le Corps Diplomatique à Tanger est chargé d'établir avec le Représentant de Sa Majesté Chérifienne.

Le bureau d'adjudication sera composé d'un représentant du Gouvernement chérifien, de cinq délégués du Corps Diplomatique et de l'ingénieur.

Si, par suite de circonstances malheureuses, une pénurie de bétail était constatée dans une région déterminée, Sa Majesté Chérifienne pourrait interdire temporairement la sortie du bétail par le port, ou les ports qui desservent cette région. Cette mesure ne devra pas excéder une durée de deux années; elle ne pourra pas être appliquée à la fois à tous les ports de l'Empire.

Il est d'ailleurs entendu que les dispositions précédentes ne modifient pas les autres conditions de l'exportation du bétail fixées par les firmans antérieurs.

La Conférence émet, en outre, le vœu qu'un service d'inspection vétérinaire soit organisé au plus tôt dans les ports de la côte.

Coasting trade.

ART. 69. Conformément aux décisions antérieures de Sa Majesté Chérifienne et notamment à la décision du 28 septembre 1901, est autorisé entre tous les ports de l'Empire le transport par cabotage des céréales, graines, légumes, œufs, fruits, volailles, et, en général, des marchandises et animaux de toute espèce, originaires ou non du Maroc, à l'exception des chevaux, mulets, ânes et chameaux pour lesquels un permis spécial du Makhzen sera nécessaire. Le cabotage pourra être effectué par des bateaux de toute nationalité, sans que les dits articles aient à payer les droits d'exportation, mais en se conformant aux droits spéciaux et aux règlements sur la matière.

If by misfortune there should be a scarcity of cattle in any particular district his Shereefian Majesty shall have the right to temporarily forbid the exportation of cattle through the port or ports of that district. Such measure shall not exceed two years; nor shall it be applied at the same time to all the ports of the Empire.

It is further understood that the preceding provisions do not modify the other conditions for the exportation of cattle as fixed by previous firmans.

The conference expresses the additional wish that a veterinary inspection be organized as soon as possible at the seaports.

ART. 69. In accordance with the previous decisions of His Shereefian Majesty, and notably the decision of September 28th, 1901, the transportation is allowed by coasting vessels, between all ports of the Empire, of cereals, grains, vegetables, fruits, eggs, poultry, and in general of merchandise and animals of every kind, of Moroccan origin or not; except horses, donkeys, and camels, for which a special permit from the Maghzen will be necessary. Such coasting trade may be carried on by vessels of every nationality without such articles being subjected to payment of the export duties, but subject to the special taxes and regulations relative thereto.

ART. 70. The rate of sojourn and anchorage dues levied on ships in Moorish ports being fixed by treaties with certain powers, the said powers are disposed to consent to a revision of such dues.

The Diplomatic Body at Tangier is therefore charged to effect an agreement with the Maghzen on the terms of such revision, which can not, however, take place until after the improvement of the ports.

Néanmoins, l'importation de l'opium spécialement destiné à des emplois pharmaceutiques sera autorisée par permis spécial, délivré par le Makhzen, sur la demande de la Légation dont relève le pharmacien ou médecin importateur. Le Gouvernement Chérifien et le Corps Diplomatique régleront, d'un commun accord, la quantité maxima à introduire.

ART. 73. Les Représentants des Puissances prennent acte de l'intention du Gouvernement chérifien d'étendre aux tabacs de toutes sortes le monopole existant en ce qui concerne le tabac à priser. Ils réservent le droit de leurs ressortissants à être dûment indemnisés des préjudices que le dit monopole pourrait occasionner à ceux d'entre eux qui auraient des industries créées sous le régime actuel concernant le tabac. A défaut d'entente amiable, l'indemnité sera fixée par des experts désignés par le Makhzen et par le Corps Diplomatique, en se conformant aux dispositions arrêtées en matière d'expropriation pour cause d'utilité publique.

ART. 74. Le principe de l'adjudication, sans acception de nationalité, sera appliqué aux fermes concernant le monopole de l'opium et du kif. Il en serait de même pour le monopole du tabac, s'il était établi.

ART. 75. Au cas où il y aurait lieu de modifier quelqu'une des dispositions de la présente déclaration, une entente devra s'établir à ce sujet entre le Makhzen et le Corps Diplomatique à Tanger.

The importation of opium specially intended for medicinal purposes will, however, be allowed by special permit issued by the Maghzen at the request of the legation, the physician, or apothecary importing the same. The Shereefian Government and the Diplomatic Body shall jointly determine the maximum quantity which may be thus introduced.

ART. 73. The representatives of the powers take note of the Shereefian Government's intention to extend to tobacco of all kinds the monopoly existing in the case of snuff. They reserve the right of their citizens, subjects, and protégés to be duly indemnified for damages which the said monopoly may cause such of them as carry on a tobacco business established under the present system. In case no amicable agreement shall be reached, the damages shall be fixed by experts designated by the Maghzen and the Diplomatic Body, in conformity with the provisions governing expropriation for public purposes.

ART. 74. The principle of awarding contracts on bids without preference of nationality shall be applied to the farming of the monopoly of opium and kif. The same rule would apply to the tobacco monopoly, if created.

ART. 75. If the occasion should arise to modify any of the provisions of this declaration, the Maghzen and the Diplomatic Body at Tangier shall reach an understanding on this point.

Disclaimer of political interest by United States.

"The Government of the United States of America, having no political interest in Morocco and no desire or purpose having animated it to take part in this conference other than to secure for all peoples the widest equality of trade and privilege with Morocco and to facilitate the institution of reforms in that country tending to insure complete cordiality of intercourse without and stability of administration within for the common good, declares that, in acquiescing in the regulations and declarations of the conference, in becoming a signatory to the General Act of Algeciras and to the Additional Protocol, subject to ratification according to constitutional procedure, and in accepting the application of those regulations and declarations to American citizens and interests in Morocco, it does so without assuming obligation or responsibility for the enforcement thereof."

And whereas, in giving its advice and consent to the ratification of the said General Act and Additional Protocol the Senate of the United States resolved, "as a part of this act of ratification, that the Senate understands that the participation of the United States in the Algeciras Conference, and in the formulation and adoption of the General Act and Protocol which resulted therefrom, was with the sole purpose of preserving and increasing its commerce in Morocco, the protection as to life, liberty and property of its citizens residing or traveling therein, and of aiding by its friendly offices and efforts in removing friction and controversy which seemed to menace the peace between the powers signatory with the United States to the treaty of 1880, all of which are on terms of amity with this government; and without purpose to depart from the traditional American foreign policy which forbids participation by the United States in the settlement of political questions which are entirely European in their scope."

And whereas, the said General Act and Additional Protocol were duly ratified by the Governments of the United States of America and of the other powers aforesaid, and by His Majesty the Sultan of Morocco;

And whereas in pursuance of Article 121 of the said General Act, the ratifications of the said General Act and Additional Protocol of

all the signatory powers were deposited with the Government of His Majesty, the King of Spain, on December 31, 1906, thereby constituting a valid exchange of the ratifications thereof;

Now, therefore, be it known that I, Theodore Roosevelt, President of the United States of America, have caused the said General Act and Additional Protocol to be made public to the end that the same and every article and clause thereof may be observed and fulfilled with good faith by the United States and the citizens thereof, subject to the reservation made in the aforesaid Declaration of the Plenipotentiaries of the United States and to the Resolution of the Senate.

Proclamation.

### A PROCLAMATION.

Preamble.  
Vol. 27, p. 955.  
Vol. 28, p. 1200.  
Vol. 32, p. 1967

Whereas a Convention between the United States of America and His Majesty the King of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the Seas, Emperor of India, providing for the surveying and marking out upon the ground of the 141st degree of West Longitude where said meridian forms the boundary line between Alaska and the possessions in America of His Britannic Majesty, was concluded and signed by their respective Plenipotentiaries at Washington, on the twenty-first day of April, one thousand nine hundred and six, the original of which Convention is word for word as follows:

Vol. 15, p. 589.

Whereas by a treaty between the United States of America and His Majesty the Emperor of all the Russias, for the cession of the Russian possessions in North America to the United States, concluded March 30, 1867, the most northerly part of the boundary line between the said Russian possessions and those of His Britannic Majesty, as established by the prior convention between Russia and Great Britain, of February 28/16, 1825, is defined as following the 141st degree of longitude west from Greenwich, beginning at the point of intersection of the said 141st degree of west longitude with a certain line drawn parallel with the coast, and thence continuing from the said point of intersection, upon the said meridian of the 141st degree in its prolongation as far as the Frozen Ocean.

And whereas, the location of said meridian of the 141st degree of west longitude between the terminal points thereof defined in said treaty, is dependent upon the scientific ascertainment of convenient points along the said meridian and the survey of the country intermediate between such points, involving no question of interpretation of the aforesaid treaties but merely the determination of such points and their connecting lines by the ordinary processes of observation and survey conducted by competent astronomers, engineers and surveyors;

And whereas such determination has not hitherto been made by a joint survey as is requisite in order to give complete effect to said treaties;

Contracting parties.

The United States of America and His Majesty the King of the United Kingdom of Great Britain and Ireland, and of the British Dominions beyond the Seas, Emperor of India, being equally desir-

ous to provide for the surveying and marking out upon the ground of the said astronomical line established by existing treaties, and thus to remove any possible cause of difference between their respective governments in regard to the location of the said 141st meridian of West Longitude, have resolved to conclude a convention to that end, and for that purpose have appointed their respective plenipotentiaries;

The President of the United States of America, The Honorable Elihu Root, Secretary of State of the United States, and

Plenipotentiaries.

His Britannic Majesty, The Right Honorable Sir H. Mortimer Durand, G. C. M. G., K. C. S. I., K. C. I. E., His Majesty's Ambassador Extraordinary and Plenipotentiary to the United States;

Who, after having communicated to each other their respective full powers, which were found in due and proper form, have agreed to and concluded the following articles:

#### ARTICLE I.

Each Government shall appoint one Commissioner with whom may be associated such surveyors, astronomers and other assistants as each Government may elect.

Commissioners, etc.

The Commissioners shall at as early a period as practicable ascertain by the telegraphic method a convenient point on the 141st meridian of West Longitude and shall then proceed under their joint direction and by their joint operations in the field, to trace and mark so much of a north and south line passing through said point as is necessary to be defined for determining the exact boundary line as established by the said Convention of 28/16 February, 1825, between the possessions in America of His Britannic Majesty, and the adjacent possessions in America formerly belonging to His Majesty The Emperor of all the Russias and ceded to the United States by the said Treaty of 30th March, 1867.

Vol. 15, p. 589.

#### ARTICLE II.

The location of the 141st meridian as determined hereunder shall be marked by intervisible objects, natural or artificial, at such distances apart as the Commissioners shall agree upon and by such additional marks as they shall deem necessary, and the line when and where thus marked, in whole or in part, and agreed upon by the Commissioners, shall be deemed to define permanently for all international purposes the 141st meridian mentioned in the treaty of February 28/16, 1825, between Great Britain and Russia.

Boundary line monuments.

The location of the marks shall be described by such views, maps and other means as the Commissioners shall decide upon, and duplicate records of these descriptions shall be attested by the Commissioners jointly and be by them deposited with their respective Governments, together with their final report hereinafter mentioned.

Maps, etc., of locations.

#### ARTICLE III.

Each Government shall bear the expenses incident to the employment of its own appointees and of the operations conducted by them, but the cost of material used in permanently marking the meridian, and of its transportation and erection in place, shall be borne equally and jointly by the two Governments.

Expenses.

The Commissioners shall diligently prosecute the work to its completion and they shall submit to their respective Governments from

*Parcel Post Agreement between the United States of America and the British colony of Bermuda.*

December 13, 1906.  
January 15, 1907.

The Postmaster-General of the United States of America and the Postmaster of the British Colony of Bermuda, being desirous of establishing a regular direct exchange of parcels between the United States of America and Bermuda, have agreed, on behalf of their respective Governments, to the following Articles:—

Preamble.

ARTICLE I.

The provisions of this Agreement relate only to parcels of mail matter to be exchanged by the system herein provided for, and do not affect the arrangements now existing under the Universal Postal Union Convention, which will continue as heretofore; and all the agreements hereinafter contained apply exclusively to mails exchanged under these Articles.

Extent of convention.

ARTICLE II.

1. There shall be admitted to the mails exchanged under this Agreement articles of merchandise and mail matter—except letters, post-cards, and written matter—of all kinds, that are admitted under any conditions to the domestic mails of the country of origin, except that no packet may exceed 11 pounds (or 5 kilograms) in weight, nor the following dimensions: Greatest length in any direction, three feet six inches; greatest length and girth combined, six feet; and must be so wrapped or inclosed as to permit their contents to be easily examined by postmasters and customs officers; and except that the following articles are prohibited admission to the mails exchanged under this Agreement:—

Articles admitted to the mails.

Publications which violate the copyright laws of the country of destination; poisons, and explosive or inflammable substances; fatty substances, liquids and those which easily liquefy, confections and pastes; live or dead animals, except dead insects and reptiles when thoroughly dried; fruits and vegetables which easily decompose, and substances which exhale a bad odour; lottery tickets, lottery advertisements, or lottery circulars; all obscene or immoral articles; articles which may in any way damage or destroy the mails or injure the persons handling them.

Articles prohibited.

2. All admissible articles of merchandise mailed in one country for the other, or received in one country from the other, shall be free from any detention or inspection whatever, except such as is required for collection of customs duties, and shall be forwarded by the most speedy means to their destination, being subject in their transmission to the laws and regulations of each country, respectively.

Freedom from inspection.

ARTICLE III.

1. A letter or communication of the nature of personal correspondence must not accompany, be written on, or inclosed with any parcel.

Letters, etc., not to accompany parcel.

## Rejection.

2. If such be found, the letter will be placed in the mails if separable, and if the communication be inseparably attached the whole package will be rejected. If, however, any such should inadvertently be forwarded, the country of destination will collect upon the letter or letters double rates of postage, according to the Universal Postal Union Convention.

## Address.

3. No parcel may contain packages intended for delivery at an address other than that borne by the parcel itself. If such inclosed packages be detected, they must be sent forward singly, charged with new and distinct parcel-post rates.

## ARTICLE IV.

## Rates of postage.

1. The following rates of postage shall in all cases be required to be *fully prepaid* with postage stamps of the country of origin, viz.:

2. In the United States, for a parcel not exceeding one pound in weight, 12 cents; and for each additional pound, or fraction of a pound, 12 cents.

3. In Bermuda, for a parcel not exceeding one pound in weight, sixpence; and for each additional pound, or fraction of a pound, sixpence.

## Delivery.

4. The parcels shall be promptly delivered to addressees at the post-offices of address in the country of destination free of charge for postage; but the country of destination may, at its option, levy and collect from the addressee for interior service and delivery a charge the amount of which is to be fixed according to its own regulations, but which shall in no case exceed 5 cents or two and one-half pence for each parcel, whatever its weight.

## ARTICLE V.

## Receipt.

Post, p. 2967.

1. The sender will, at the time of mailing the package, receive a certificate of mailing from the post-office where the package is mailed on a form like Form 1 annexed hereto.

## Registry.

2. The sender of a package may have the same registered in accordance with the regulations of the country of origin.

## Return receipt.

3. An acknowledgment of the delivery of a registered article shall be returned to the sender when requested; but either country may require of the sender prepayment of a fee therefor not exceeding five cents or two and one-half pence.

## Notice to addressees.

4. The addressees of registered articles shall be advised of the arrival of a package addressed to them by a notice from the post-office of destination.

## ARTICLE VI.

## Customs declaration.

Post, p. 2967.

1. The sender of each parcel shall make a customs declaration, pasted upon or attached to the package, upon a special form provided for the purpose (see Form 2 annexed hereto), giving a general description of the parcel, an accurate statement of its contents and value, date of mailing, and the sender's signature and place of residence and place of address.

## Collection of duties.

2. The parcels in question shall be subject in the country of destination to all customs duties and all customs regulations in force in that country, for the protection of its customs revenues; and the customs duties properly chargeable thereon shall be collected on delivery in accordance with the customs regulations of the country of destination.

## ARTICLE VII.

## Fees to be retained.

Each country shall retain to its own use the whole of the postages, registration and delivery fees, it collects on said parcels; consequently, this Convention will give rise to no separate accounts between the two countries.

ARTICLE VIII.

1. The parcels shall be considered as a component part of the mails exchanged *direct* between the United States and Bermuda, to be despatched to destination by the country of origin at its cost and by such means as it provides; but must be forwarded at the option of the despatching office, either in boxes prepared expressly for the purpose or in ordinary mail sacks, marked "parcels-post," and securely sealed with wax, or otherwise, as may be mutually provided by regulations hereunder.

Transportation.

2. Each country shall promptly return *empty* to the despatching office by next mail all such bags and boxes.

Return of bags, etc.

3. Although articles admitted under this Agreement will be transmitted as aforesaid between the exchange offices, they should be so carefully packed as to be safely transmitted in the open mails of either country, both in going to the exchange office in the country of origin and to the office of address in the country of destination.

Packing.

4. Each despatch of a parcels-post mail must be accompanied by a descriptive list, in duplicate, of all the parcels sent, showing distinctly the list number of each parcel, the name of the sender, the name of the addressee, with address of destination, and the declared contents and value; and must be enclosed in one of the boxes or sacks of such despatch. (See Form 3 annexed hereto.)

Descriptive list.

Post, p. 2968.

ARTICLE IX.

Exchanges of mails under this Agreement from any place in either country to any place in the other, shall be effected through the post-offices of both countries already designated as exchange post-offices or through such others as may be hereafter agreed upon; under such regulations relative to the details of the exchange as may be mutually determined to be essential to the security and expedition of the mails and the protection of the customs revenues.

Exchange offices.

ARTICLE X.

1. As soon as the mail shall have reached the office of destination, that office shall check the contents of the mail.

Receipt of mail.

2. In the event of the parcel bill not having been received a substitute should be at once prepared.

Parcel bill.

3. Any errors in the entries on the parcel bill which may be discovered, should, after verification by a second officer, be corrected and noted for report to the despatching office on a form "Verification Certificate," which should be sent in a special envelope.

Errors.

4. If a parcel advised on the bill be not received, after the non-receipt has been verified by a second officer the entry on the bill should be cancelled and the fact reported at once.

Nonreceipt of parcel.

5. If a parcel be observed to be insufficiently prepaid, it must not be taxed with deficient postage, but the circumstance must be reported on the verification certificate form.

Insufficient postage.

6. Should a parcel be received in a damaged or imperfect condition, full particulars should be reported on the same form.

Damage to parcels.

7. If no verification certificate or note of error be received, a parcel mail shall be considered as duly delivered, having been found on examination correct in all respects.

Correct mails.

of destination; and the country of origin may collect from the sender for the return of the parcel, a sum equal to the postage when first mailed: Provided, however, that parcels prohibited by Article II, and those which do not conform to the conditions as to size, weight, and value prescribed by said Article, shall not be returned to the country of origin, but may be disposed of, without recourse, in accordance with the customs laws and regulations of the country of destination.

Perishable articles.

2. When the contents of a parcel which cannot be delivered are liable to deterioration or corruption, they may be destroyed at once if necessary, or, if expedient, sold, without previous notice or judicial formality, for the benefit of the right person, the particulars of each sale being noticed by one post-office to the other.

Reforwarding.

3. An order for re-direction or re-forwarding must be accompanied by the amount due for postage necessary for the return of the article to the office of origin, at the ordinary parcel rates.

## ARTICLE XII.

Nonresponsibility  
for loss, etc.

The Post Office Department of either of the contracting countries will not be responsible for the loss or damage of any parcel, and no indemnity can consequently be claimed by the sender or addressee in either country.

## ARTICLE XIII.

Further regulations.

The Postmaster-General of the United States of America and the Postmaster of Bermuda shall have authority to jointly make such further regulations of order and detail as may be found necessary to carry out the present Agreement from time to time; and may, by agreement, prescribe conditions for the admission to the mails of any of the articles prohibited by Article II of this Convention.

*Provided further*, That nothing herein shall give any force or effect to any claim or right to any of the lands heretofore embraced within the reserves hereby consolidated which would not have been entitled to recognition if said reserves as heretofore established had been continued in force without being merged into a single reserve as hereinbefore provided.

### A PROCLAMATION.

WHEREAS, by Executive Order dated December 27, 1875, Sections 5 and 6, township 15 south, range 2 east, San Bernardino Meridian, California, were with certain other tracts of land withdrawn from the public domain and reserved for the use of the Capitan Grande Band or Village of Mission Indians; and

Mt. Ion Indian lands, California. Preamble.

WHEREAS, the Commission appointed under the provisions of the Act of Congress approved January 12, 1891, entitled "An Act for the relief of the Mission Indians in the State of California." (U. S. Statutes at Large, vol. 26, page 712) selected for the said Capitan Grande band or village of Indians certain tracts of land and intentionally omitted and excluded from such selection the said sections 5 and 6, township 15 south, range 2 east; and

Vol. 26, p. 712.

WHEREAS, the report and recommendations of the said Commission were approved by Executive Order dated December 29, 1891, which Order also directed that "All of the lands mentioned in said report are hereby withdrawn from settlement and entry until patents shall have issued for said selected reservations, and until the recommendations of said Commission shall be fully executed, and, by the proclamation of the President of the United States, the lands or any part thereof shall be restored to the public domain;" and

WHEREAS, a patent was issued March 10, 1894, to the said Indians for the lands selected by the Commission as aforesaid and

which patent also excluded the said Sections 5 and 6, township 15 south, range 2 east; and

WHEREAS it appears that on the 10th day of March, 1895, Joseph J. Henderson entered upon the Southeast  $\frac{1}{4}$  of the Southeast  $\frac{1}{4}$ , Section 5, township 15 south, range 2 east, San Bernardino Meridian, for the purpose of taking the land under the homestead law, and cannot make the requisite filings on the land occupied by him until it shall have been formally restored to the public domain, and that no good reason appears to exist for the further reservation of said Sections 5 and 6 for the said band of Indians:

Certain lands reserved for Mission Indians, restored to public domain.

NOW, THEREFORE, I, THEODORE ROOSEVELT, PRESIDENT OF THE UNITED STATES, by virtue of the power in me vested, do hereby declare and make known that Executive Orders dated December 27, 1875, and December 29, 1891, are so far modified as to except from their provisions Sections 5 and 6, of township 15 south, range 2 east, San Bernardino Meridian, and the said sections are hereby restored to the public domain.

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA,

### A PROCLAMATION.

Tonnage dues.  
Panama.  
Preamble.

Whereas, satisfactory proof has been given to me by the Government of the Republic of Panama that no discriminating duties of tonnage or imposts are imposed or levied in the ports of that Republic upon vessels wholly belonging to citizens of the United States or upon the produce, manufactures, or merchandise imported in such vessels from the United States, or from any foreign country:

Panama.  
Suspension of discriminating tonnage, etc., duties.  
R. S., sec. 4228, p. 814.

Now, therefore, I, THEODORE ROOSEVELT, President of the United States of America, by virtue of the authority vested in me by section four thousand two hundred and twenty-eight of the Revised Statutes of the United States, do hereby declare and proclaim that, the foreign discriminating duties of tonnage and imposts within the United States are suspended and discontinued so far as respects the vessels of the Republic of Panama, and the produce, manufactures, or merchandise imported into the United States from the Republic of Panama, or from any other foreign country; the suspension to take effect on and after the date of this proclamation and to continue so long as the reciprocal exemption of vessels belonging to citizens of the United States, and their cargoes, shall be continued, and no longer.

In testimony whereof, I have hereunto set my hand and caused the seal of the United States to be affixed.

Done at the City of Washington, the 15th day of May, in the year of our Lord one thousand nine hundred and five, and of [SEAL.] the Independence of the United States the one hundred and twenty-ninth.

THEODORE ROOSEVELT

By the President:

F. B. LOOMIS

*Acting Secretary of State.*

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA.

A PROCLAMATION.

May 17, 1905.

WHEREAS, The Medicine Bow Forest Reserve, in the State of Wyoming, was established by proclamation dated May twenty-second, nineteen hundred and two, under and by virtue of section twenty-four of the Act of Congress, approved March third, eighteen hundred and ninety-one, entitled, "An act to repeal timber-culture laws, and for other purposes", which provides, "That the President of the United States may, from time to time, set apart and reserve, in any State or Territory having public land bearing forests, in any part of the public lands wholly or in part covered with timber or undergrowth, whether of commercial value or not, as public reservations, and the President shall, by public proclamation, declare the establishment of such reservations and the limits thereof";

And whereas, it is further provided by the Act of Congress, approved June fourth, eighteen hundred and ninety-seven, entitled, "An act making appropriations for sundry civil expenses of the Government for the fiscal year ending June thirtieth, eighteen hundred and ninety-eight, and for other purposes", that "the President is hereby authorized at any time to modify any Executive order that has been or may hereafter be made establishing any forest reserve, and by such modification may reduce the area or change the boundary lines of such reserve, or may vacate altogether any order creating such reserve"; under which provision the boundary lines of the said forest reserve were changed and enlarged by proclamation dated July sixteenth, nineteen hundred and two;

And whereas, it appears that the public good would be promoted by including within the said forest reserve certain additional lands in the State of Colorado which are in part covered with timber;

Now, therefore, I, Theodore Roosevelt, President of the United States, by virtue of the power vested in me by the aforesaid act of Congress, approved June fourth, eighteen hundred and ninety-seven, do hereby make known and proclaim that the boundary lines of the aforesaid Medicine Bow Forest Reserve are hereby further modified so as to read as follows:

### A PROCLAMATION.

The Bitter Root  
Forest Reserve,  
Idaho and Mont.  
Preamble.  
Vol. 29, p. 899;  
Vol. 33, p. 2373.  
Vol. 26, p. 1108.

Whereas, The Bitter Root Forest Reserve, in the States of Idaho and Montana, was established by proclamation dated February twenty-second, eighteen hundred and ninety-seven, under and by virtue of section twenty-four of the Act of Congress, approved March third, eighteen hundred and ninety-one, entitled, "An act to repeal timber-culture laws, and for other purposes", which provides, "That the President of the United States may, from time to time, set apart and reserve, in any State or Territory having public land bearing forests, in any part of the public lands wholly or in part covered with timber or undergrowth, whether of commercial value or not, as public reservations, and the President shall, by public proclamation, declare the establishment of such reservations and the limits thereof";

Vol. 30, p. 36.

And whereas, it is further provided by the Act of Congress, approved June fourth, eighteen hundred and ninety-seven, entitled, "An act making appropriations for sundry civil expenses of the Government for the fiscal year ending June thirtieth, eighteen hundred and ninety-eight, and for other purposes", that "the President is hereby authorized at any time to modify any Executive order that has been or may hereafter be made establishing any forest reserve, and by such modification may reduce the area or change the boundary lines of such reserve, or may vacate altogether any order creating such reserve"; under which provision the boundary lines of the said forest reserve were changed and the area reduced by proclamation dated June fourteenth, nineteen hundred and four;

Vol. 33, p. 2373.

And whereas, it appears that the public good would be promoted

by further releasing and excluding lands from the said forest reserve, and by including therein additional lands which are in part covered with timber;

By the President:

FRANCIS B. LOOMIS

*Acting Secretary of State.*

June 5, 1905.

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA.

### A PROCLAMATION.

Battlement Mesa  
Forest Reserve,  
Colo.  
Preamble.  
Vol. 27, 1053;  
Vol. 33, p. 2359.  
Vol. 26, p. 1103.

WHEREAS, the Battlement Mesa Forest Reserve, in the State of Colorado, was established by proclamation dated December twenty-fourth, eighteen hundred and ninety-two, under and by virtue of section twenty-four of the Act of Congress, approved March third, eighteen hundred and ninety-one, entitled, "An act to repeal timber-culture laws, and for other purposes", which provides, "That the President of the United States may, from time to time, set apart and reserve, in any State or Territory having public land bearing forests, in any part of the public lands wholly or in part covered with timber or undergrowth, whether of commercial value or not, as public reservations, and the President shall, by public proclamation, declare the establishment of such reservations and the limits thereof";

Vol. 30, p. 36.

And whereas, it is further provided by the Act of Congress, approved June fourth, eighteen hundred and ninety-seven, entitled, "An act making appropriations for sundry civil expenses of the Government for the fiscal year ending June thirtieth, eighteen hundred and ninety-eight, and for other purposes", that "the President is

hereby authorized at any time to modify any Executive order that has been or may hereafter be made establishing any forest reserve, and by such modification may reduce the area or change the boundary lines of such reserve, or may vacate altogether any order creating such reserve", under which provision the boundary lines of the said forest reserve were changed and the area thereof reduced by proclamation dated May sixteenth, nineteen hundred and four;

Vol. 33, p. 2359.

And whereas, it appears that the public good would be promoted by further releasing and excluding lands from the said forest reserve, and by including therein additional lands which are in part covered with timber;

Now, therefore, I, Theodore Roosevelt, President of the United States, by virtue of the power vested in me by the aforesaid act of Congress approved June fourth, eighteen hundred and ninety-seven, do hereby make known and proclaim that the boundary lines of the aforesaid Battlement Mesa Forest Reserve are hereby further modified so as to read as follows:

*Acting Secretary of State.*

June 12, 1905.

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA.

## A PROCLAMATION.

Washington Forest Reserve, Wash. Preamble.  
Vol. 29, p. 904;  
Vol. 32, p. 1869.  
Vol. 26, p. 1103.  
Post, p. 3297.

WHEREAS, The Washington Forest Reserve, in the State of Washington, was established by proclamation dated February twenty-second, eighteen hundred and ninety-seven, under and by virtue of section twenty-four of the Act of Congress, approved March third, eighteen hundred and ninety-one, entitled "An act to repeal timber-culture laws, and for other purposes", which provides, "That the President of the United States may, from time to time, set apart and reserve, in any State or Territory having public land bearing forests, in any part of the public lands wholly or in part covered with timber or undergrowth, whether of commercial value or not, as public reservations, and the President shall, by public proclamation, declare the establishment of such reservations and the limits thereof";

Vol. 30, p. 36.

And whereas, it is further provided by the Act of Congress, approved June fourth, eighteen hundred and ninety-seven, entitled, "An act making appropriations for sundry civil expenses of the Government for the fiscal year ending June thirtieth, eighteen hundred and ninety-eight, and for other purposes", that "the President is hereby authorized at any time to modify any Executive order that has been or may hereafter be made establishing any forest reserve, and by such modification may reduce the area or change the boundary lines of such reserve, or may vacate altogether any order creating such reserve"; under which provision, the boundary lines of the said forest reserve were changed and reduced by proclamation dated April third, nineteen hundred and one;

Vol. 32, p. 1969.

And whereas, it appears that the public good would be promoted by further releasing and excluding certain lands from the said forest reserve, and by including therein certain additional lands which are in part covered with timber;

Area further modified.

Now, therefore, I, Theodore Roosevelt, President of the United States, by virtue of the power in me vested by the aforesaid act of Congress, approved June fourth, eighteen hundred and ninety-seven, do hereby make known and proclaim that the boundary lines of the aforesaid Washington Forest Reserve are hereby further modified so as to read as follows:

# A PROCLAMATION.

Whereas it is provided by section 13 of the act of Congress of March 3, 1891, entitled "An Act to amend title sixty, chapter three, of the Revised Statutes of the United States, relating to copyrights," that said act "shall only apply to a citizen or subject of a foreign state or nation when such foreign state or nation permits to citizens of the United States of America the benefit of copyright on substantially the same basis as its own citizens; or when such foreign state or nation is a party to an international agreement which provides for

reciprocity in the granting of copyright, by the terms of which agreement the United States of America may, at its pleasure, become a party to such agreement";

And whereas it is also provided by said section that "the existence of either of the conditions aforesaid shall be determined by the President of the United States by proclamation made from time to time as the purposes of this act may require";

And whereas satisfactory official assurances have been given that in Norway the law permits to citizens of the United States the benefit of copyright on substantially the same basis as to the citizens of that country:

Copyright benefits extended to subjects of Norway.

Now, therefore, I, Theodore Roosevelt, President of the United States of America, do declare and proclaim that the first of the conditions specified in section 13 of the act of March 3, 1891, is now fulfilled in respect to the subjects of Norway.

In testimony whereof, I have hereunto set my hand and caused the seal of the United States to be affixed.

#### A PROCLAMATION BY THE PRESIDENT OF THE UNITED STATES.

Announcing death of John Hay, Secretary of State.

John Hay, Secretary of State of the United States, died on July 1st. His death, a crushing sorrow to his friends, is to the people of this country a national bereavement; and it is in addition a serious loss to all mankind, for to him it was given to stand as a leader in the effort to better world-conditions by striving to advance the cause of international peace and justice. He entered the public service as the trusted and intimate companion of Abraham Lincoln, and for well-nigh forty-five years he served his country with loyal devotion and high ability in many positions of honor and trust; and finally he crowned his life work by serving as Secretary of State with such farsighted reading of the future and such loyalty to lofty ideals as to confer lasting benefits not only upon our own country but upon all the nations of the earth.

As a suitable expression of national mourning, I direct that the diplomatic representatives of the United States in all foreign countries display the flags over their embassies and legations at half-mast for ten days; that for a like period the flag of the United States be displayed at half-mast at all forts and military posts and at all naval stations and on all vessels of the United States.

I further order that on the day of the funeral the executive departments in the City of Washington be closed and that on all public buildings throughout the United States the national flag be displayed at half-mast.

Done at the City of Washington, this third day of July, A. D. 1905,  
and of the independence of the United States of America  
[SEAL.] the one hundred and twenty ninth.

Whereas it was provided by the Act of Congress, approved May 27, A. D., 1902 (32 Stat., 263), among other things, that on October first, 1903, the unallotted lands in the Uintah Indian Reservation, in the State of Utah, "shall be restored to the public domain: *Provided*, That persons entering any of said lands under the homestead laws shall pay therefor at the rate of one dollar and twenty-five cents per acre";

Uintah Indian Reservation, Utah. Preamble. Vol. 32, p. 263.

And, whereas, the time for the opening of said unallotted lands was extended to October 1, 1904, by the Act of Congress approved March 3, 1903 (32 Stat., 998), and was extended to March 10, 1905, by the Act of Congress approved April 21, 1904 (33 Stat., 207), and was again extended to not later than September 1, 1905, by the Act of Congress, approved March 3, 1905 (33 Stat., 1069), which last named act provided, among other things:

Vol. 32, p. 998.

Vol. 33, p. 207.

Vol. 33, p. 1069.

That the said unallotted lands, excepting such tracts as may have been set aside as national forest reserve, and such mineral lands as were disposed of by the Act of Congress of May twenty-seventh, nineteen hundred and two, shall be disposed of under the general provisions of the homestead and townsite laws of the United States, and shall be opened to settlement and entry by proclamation of the President, which proclamation shall prescribe the manner in which these lands may be settled upon, occupied, and entered by persons entitled to make entry thereof; and no person shall be permitted to settle upon, occupy, or enter any of said lands, except as prescribed in said proclamation, until after the expiration of sixty days from the time when the same are thereby opened to settlement and entry: *Provided*, That the rights of honorably discharged Union soldiers and sailors of the late civil and Spanish war or Philippine insurrection,

as defined and described in sections twenty-three hundred and four and twenty-three hundred and five of the Revised Statutes, as amended by the Act of March first, nineteen hundred and one, shall not be abridged.

Unallotted lands  
on reservation  
opened to entry,  
etc., Aug. 28, 1905.

Now, therefore, I, Theodore Roosevelt, President of the United States of America, by virtue of the power in me vested by said Acts of Congress, do hereby declare and make known that all the unallotted lands in said reservation, excepting such as have at that time been reserved for military, forestry and other purposes, and such mineral lands as may have been disposed of under existing laws, will on and after the 28th day of August, 1905, in the manner hereinafter prescribed, and not otherwise, be opened to entry, settlement and disposition under the general provisions of the homestead and townsite laws of the United States; and it is further directed and prescribed that:

Places of registra-  
tion.

Commencing at 9 o'clock a. m. Tuesday, August 1, 1905, and ending at 6 o'clock p. m. Saturday, August 12, 1905, a registration will be had at Vernal, Price and Provo, State of Utah, and at Grand Junction, State of Colorado, for the purpose of ascertaining what persons desire to enter, settle upon, and acquire title to any of said lands under the homestead law, and of ascertaining their qualifications so to do. To obtain registration each applicant will be required to show himself duly qualified, by written application to be made only on a blank form provided by the Commissioner of the General Land Office, to make homestead entry of these lands under existing laws, and to give the registering officer such appropriate matters of description and identity as will protect the applicant and the Government against any attempted impersonation. Registration cannot be effected through the use of the mails or the employment of an agent, excepting that honorably discharged soldiers and sailors entitled to the benefits of section 2304 of the Revised Statutes of the United States, as amended by the act of Congress, approved March 1, 1901 (31 Stat., 847), may present their applications for registration and due proofs of their qualifications through an agent of their own selection, having a duly executed power of attorney on a blank form provided by the Commissioner of the General Land Office, but no person will be permitted to act as agent for more than one such soldier or sailor. No person will be permitted to register more than once or in any other than his true name.

Applications.

R. S. sec. 2304,  
p. 422.

Vol. 31, p. 847.

Each applicant who shows himself duly qualified will be registered and given a nontransferable certificate to that effect, which will entitle him to go upon and examine the lands to be opened hereunder; but the only purpose for which he can go upon and examine said lands is that of enabling him later on, as herein provided, to understandingly select the lands for which he may make entry. No one will be permitted to make settlement upon any of said lands in advance of the opening herein provided for, and during the first sixty days following said opening no one but registered applicants will be permitted to make homestead settlement upon any of said lands and then only in pursuance of a homestead entry duly allowed by the local land officers, or of a soldier's declaratory statement duly accepted by such officers.

Certificate of reg-  
istration.

Restrictions.

Drawings.

The order in which, during the first sixty days following the opening, the registered applicants will be permitted to make homestead entry of the lands opened hereunder, will be determined by a drawing for the district publicly held at Provo, Utah, commencing at 9 o'clock a. m., Thursday, August 17, 1905, and continuing for such period as may be necessary to complete the same. The drawing will be had under the supervision and immediate observance of a committee of three persons whose integrity is such as to make their control of the drawing a guaranty of its fairness. The members of this committee will be appointed by the Secretary of the Interior, who will

prescribe suitable compensation for their services. Preparatory to this drawing the registration officers will, at the time of registering each applicant who shows himself duly qualified, make out a card, which must be signed by the applicant, and giving such a description of the applicant as will enable the local land officers to thereafter identify him. This card will be subsequently sealed in a separate envelope which will bear no other distinguishing label or mark than such as may be necessary to show that it is to go into the drawing. These envelopes will be carefully preserved and remain sealed until opened in the course of the drawing herein provided. When the registration is completed, all of these sealed envelopes will be brought together at the place of drawing and turned over to the committee in charge of the drawing, who, in such manner as in their judgment will be attended with entire fairness and equality of opportunity, shall proceed to draw out and open the separate envelopes and to give to each inclosed card a number in the order in which the envelope containing the same is drawn. The result of the drawing will be certified by the committee to the officers of the district and will determine the order in which the applicants may make homestead entry of said lands and settlement thereon.

Notice of the drawings, stating the name of each applicant and number assigned to him by the drawing, will be posted each day at the place of drawing, and each applicant will be notified of his number, and of the day upon which he must make his entry, by a postal card mailed to him at the address given by him at the time of registration. The result of each day's drawing will also be given to the press to be published as a matter of news. Applications for homestead entry of said lands during the first sixty days following the opening can be made only by registered applicants and in the order established by the drawing.

Notices.

Commencing on Monday, August 28, 1905, at 9 o'clock a. m., the applications of those drawing numbers 1 to 50, inclusive, must be presented at the land office in the town of Vernal, Utah, in the land district in which said lands are situated, and will be considered in their numerical order during the first day, and the applications of those drawing numbers 51 to 100, inclusive, must be presented and will be considered in their numerical order during the second day, and so on at that rate until all of said lands subject to entry under the homestead law, and desired thereunder, have been entered. If any applicant fails to appear and present his application for entry when the number assigned to him by the drawing is reached, his right to enter will be passed until after the other applications assigned for that day have been disposed of, when he will be given another opportunity to make entry, failing in which he will be deemed to have abandoned his right to make entry under such drawing.

Applications.  
Post, p. 8140.

To obtain the allowance of a homestead entry, each applicant must personally present the certificate of registration theretofore issued to him, together with a regular homestead application and the necessary accompanying proofs, together with the regular land office fees, but an honorably discharged soldier or sailor may file his declaratory statement through his agent, who can represent but one soldier or sailor as in the matter of registration.

Certificates of  
registration.

Persons who make homestead entry for any of these lands will be required to pay therefor at the rate of one dollar and twenty-five cents per acre when they make final proof, but no payment, other than the usual fees and commissions will be required at the time the entry is made.

Payments.

Persons who apply to make entry of these lands prior to October 27, 1905, will not be required to file the usual nonmineral affidavit.

Nonmineral aff-  
davits.

with their applications to enter, but such affidavit must be filed before final proof is accepted under their entries; but all persons who make entry after that date will be required to file that affidavit with their applications to enter.

**Entries.**

The production of the certificate of registration will be dispensed with only upon satisfactory proof of its loss or destruction. If at the time of considering his regular application for entry it appear that an applicant is disqualified from making homestead entry of these lands, his application will be rejected, notwithstanding his prior registration. If any applicant shall register more than once hereunder, or in any other than his true name, or shall transfer his registration certificate, he will thereby lose all the benefits of the registration and drawing herein provided for, and will be precluded from entering or settling upon any of said lands during the first sixty days following said opening.

**Townsites.**  
*Post*, pp. 3139,  
3143.

Any person or persons desiring to found, or to suggest establishing, a townsite upon any of the said lands, at any point, may, at any time before the opening herein provided for, file in the land office a written application to that effect, describing by legal subdivisions the lands intended to be affected, and stating fully and under oath the necessity or propriety of founding or establishing a town at that place. The local officers will forthwith transmit said petition to the Commissioner of the General Land Office with their recommendation in the premises. Such Commissioner, if he believes the public interests will be subserved thereby, will, if the Secretary of the Interior approve thereof, issue an order withdrawing the lands described in such petition, or any portion thereof, from homestead entry and settlement and directing that the same be held for the time being for disposal under the townsite laws of the United States in such manner as the Secretary of the Interior may from time to time direct; and, if at any time after such withdrawal has been made it is determined that the lands so withdrawn are not needed for townsite purposes they may be released from such withdrawal and then disposed of under the general provisions of the homestead laws in the manner prescribed herein.

**Entry of undisposed-of lands.**

All persons are especially admonished that under the said act of Congress approved March 3, 1905, it is provided that no person shall be permitted to settle upon, occupy, or enter any of said lands except in the manner prescribed in this proclamation until after the expiration of sixty days from the time when the same are opened to settlement and entry. After the expiration of the said period of sixty days, but not before, as hereinbefore prescribed, any of said lands remaining undisposed of may be settled upon, occupied, and entered under the general provisions of the homestead and townsite laws of the United States in like manner as if the manner of effecting such settlement, occupancy, and entry had not been prescribed herein in obedience to law.

**Regulations.**

The Secretary of the Interior shall prescribe all needful rules and regulations necessary to carry into full effect the opening herein provided for.

In witness whereof I have hereunto set my hand and caused the seal of the United States to be affixed.

### A PROCLAMATION.

WHEREAS, The Sierra Forest Reserve, in the State of California, was established by proclamation dated February fourteenth, eighteen hundred and ninety-three, under and by virtue of section twenty-four of the Act of Congress, approved March third, eighteen hundred and ninety-one, entitled, "An act to repeal timber-culture laws, and for other purposes", which provides, "That the President of the United States may, from time to time, set apart and reserve, in any State or Territory having public land bearing forests, in any part of the public lands wholly or in part covered with timber or undergrowth, whether of commercial value or not, as public reservations, and the President shall, by public proclamation, declare the establishment of such reservations and the limits thereof";

And whereas, the boundary lines of the said forest reserve were changed and enlarged by the Act of Congress, approved February seventh, nineteen hundred and five, entitled, "An Act To exclude from the Yosemite National Park, California, certain lands therein described, and to attach and include the said lands in the Sierra Forest Reserve";

And whereas, it is further provided by the Act of Congress, approved June fourth, eighteen hundred and ninety-seven, entitled, "An act making appropriations for sundry civil expenses of the Government for the fiscal year ending June thirtieth, eighteen hundred and ninety-eight, and for other purposes", that "The President is hereby authorized at any time to modify any Executive order that has been or may hereafter be made establishing any forest reserve, and by such modification may reduce the area or change the boundary lines of such reserve, or may vacate altogether any order creating such reserve"; which authority to change the boundary lines of forest reserves by Executive proclamation was extended, by the aforesaid act of Congress, approved February seventh, nineteen hundred and five, to the lands thereby included in and made a part of the Sierra Forest Reserve;

And whereas, it appears that the public good would be promoted by including within the said forest reserve certain additional lands in the State of California which are in part covered with timber;

Now, therefore, I, Theodore Roosevelt, President of the United States, by virtue of the power in me vested by the aforesaid acts of Congress, do hereby make known and proclaim that the boundary lines of the said Sierra Forest Reserve are hereby further changed so as to read as follows:

### A PROCLAMATION.

WHEREAS, The Sierra Forest Reserve, in the State of California, was established by proclamation dated February fourteenth, eighteen hundred and ninety-three, under and by virtue of section twenty-four of the Act of Congress, approved March third, eighteen hundred and ninety-one, entitled, "An act to repeal timber-culture laws, and for other purposes", which provides, "That the President of the United States may, from time to time, set apart and reserve, in any State or Territory having public land bearing forests, in any part of the public lands wholly or in part covered with timber or undergrowth, whether of commercial value or not, as public reservations, and the President shall, by public proclamation, declare the establishment of such reservations and the limits thereof";

The Sierra Forest Reserve, Cal.  
Preamble.

Vol. 30, p. 86.

And whereas, it appears that the public good would be promoted by including within the said forest reserve certain additional lands in the State of California which are in part covered with timber;

Now, therefore, I, Theodore Roosevelt, President of the United States, by virtue of the power in me vested by the aforesaid acts of Congress, do hereby make known and proclaim that the boundary lines of the said Sierra Forest Reserve are hereby further changed so as to read as follows:

WHEREAS, it was declared in my proclamation of July 14, in the year of our Lord 1905, prescribing the manner in which certain lands within the Uintah Indian Reservation should be opened to settlement and entry under the homestead and townsite laws of the United States, among other things as follows:

*Acts, p. 8121.*

Commencing on Monday, August 28, 1905, at 9 o'clock a. m., the applications of those drawing numbers 1 to 50, inclusive, must be presented at the land office in the town of Vernal, Utah, in the land district in which said lands are situated, and will be considered in their numerical order during the first day, and the applications of those drawing numbers 51 to 100, inclusive, must be presented and will be considered in their numerical order during the second day, and so on at that rate until all of said lands subject to entry under the homestead law, and desired thereunder, have been entered. If any applicant fails to appear and present his application for entry when the number assigned to him by the drawing is reached, his right to enter will be passed until after the other applications assigned for that day have been disposed of, when he will be given another opportunity to make entry, failing in which he will be deemed to have abandoned his right to make entry under such drawing.

And, whereas, there now appear to be ample reasons for a modification of said provision;

*Secretary of State.*

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA.

October 8, 1905.

A PROCLAMATION.

WHEREAS, it is provided by section twenty-four of the Act of Congress, approved March third, eighteen hundred and ninety-one, entitled, "An act to repeal timber-culture laws, and for other purposes", "That the President of the United States may, from time to time, set apart and reserve, in any State or Territory having public land bearing forests, in any part of the public lands wholly or in part covered with timber or undergrowth, whether of commercial value or not, as public reservations, and the President shall, by public proclamation, declare the establishment of such reservations and the limits thereof";

And whereas, the public lands in the State of California, within the limits hereinafter described, are in part covered with timber, and it appears that the public good would be promoted by setting apart and reserving said lands as a public reservation;

Now, therefore, I, Theodore Roosevelt, President of the United States, by virtue of the power in me vested by section twenty-four of the aforesaid Act of Congress, do hereby make known and proclaim that there are hereby reserved from entry or settlement and set apart as a Public Reservation all those certain tracts, pieces or parcels of land lying and being situate in the State of California, and within the boundaries particularly described as follows:

Secretary of State.

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA.

October 3, 1906.

A PROCLAMATION.

WHEREAS, the Lincoln Forest Reserve, in the Territory of New Mexico, was established by proclamation dated July twenty-sixth, nineteen hundred and two, under and by virtue of section twenty-four of the Act of Congress, approved March third, eighteen hundred and ninety-one, entitled, "An act to repeal timber-culture laws, and for other purposes", which provides, "That the President of the United States may, from time to time, set apart and reserve, in any State or Territory having public land bearing forests, in any part of the public lands wholly or in part covered with timber or undergrowth, whether of commercial value or not, as public reservations, and the President shall, by public proclamation, declare the establishment of such reservations and the limits thereof";

Lincoln Forest Reserve, N. Mex. Preamble. Vol. 82, p. 2018. Vol. 28, p. 1103. Post, p. 3216.

And whereas, it is further provided by the Act of Congress, approved June fourth, eighteen hundred and ninety-seven, entitled, "An act making appropriations for sundry civil expenses of the Government for the fiscal year ending June thirtieth, eighteen hundred and ninety-eight, and for other purposes", that "the President is hereby authorized at any time to modify any Executive order that has been or may hereafter be made establishing any forest reserve, and by such modification may reduce the area or change the boundary lines of such reserve, or may vacate altogether any order creating such reserve";

Vol. 80, p. 86.

And whereas, it appears that the public good would be promoted by releasing and excluding certain lands from the said forest reserve, and by including therein certain additional lands, in the Territory of New Mexico, which are in part covered with timber;

Now, therefore, I, Theodore Roosevelt, President of the United States, by virtue of the power in me vested by the aforesaid act of Congress, approved June fourth, eighteen hundred and ninety-seven, do hereby make known and proclaim that the boundary lines of the aforesaid Lincoln Forest Reserve are hereby so changed as to read as follows:

## A PROCLAMATION.

## Preamble.

When nearly three centuries ago the first settlers came to the country which has now become this great republic, they fronted not only hardship and privation, but terrible risk to their lives. In those grim years the custom grew of setting apart one day in each year for a special service of thanksgiving to the Almighty for preserving the people through the changing seasons. The custom has now become national and hallowed by immemorial usage. We live in easier and more plentiful times than our forefathers, the men who with rugged strength faced the rugged days; and yet the dangers to national life are quite as great now as at any previous time in our history. It is eminently fitting that once a year our people should set apart a day for praise and thanksgiving to the Giver of Good, and, at the same time that they express their thankfulness for the abundant mercies received, should manfully acknowledge their shortcomings and pledge themselves solemnly and in good faith to strive to overcome them. During the past year we have been blessed with bountiful crops. Our business prosperity has been great. No other people has ever stood on as high a level of material well-being as ours now stands. We are not threatened by foes from without. The foes from whom we should pray to be delivered are our own passions, appetites and follies; and against these there is always need that we should war.

Thursday, November 30, 1905, set apart as a day of national thanksgiving.

Therefore, I now set apart Thursday, the thirtieth day of this November, as a day of thanksgiving for the past and of prayer for the future, and on that day I ask that throughout the land the people gather in their homes and places of worship, and in rendering thanks unto the Most High for the manifold blessings of the past year, consecrate themselves to a life of cleanliness, honor and wisdom, so that this nation may do its allotted work on the earth in a manner worthy of those who founded it and of those who preserved it.

IN WITNESS WHEREOF I have hereunto set my hand and caused the seal of the United States to be affixed.

NOW, THEREFORE, I, THEODORE ROOSEVELT, President of the United States, by virtue of the power vested in me by the said act of Congress, do hereby declare and make known that all of the unallotted lands in said reservation, except such as may at that time have been withdrawn for reclamation under said act of June seventeenth, nineteen hundred and two, and such lands as may have been reserved as subject to the preference right of entry of the purchasers of the improvements of the former Indian claimants thereon, and except sections sixteen and thirty-six, or lands selected in lieu thereof, which are reserved for common school purposes for the State of Montana, will, on and after the sixteenth day of July, nineteen hundred and six, in the manner hereinafter prescribed, and not otherwise, be opened to settlement, entry, and disposition under the general provisions of the homestead, townsite, and mineral land laws of the United States.

To obtain registration each

applicant will be required to show himself duly qualified to make homestead entry of these lands under existing laws, by written application to be made on a blank furnished only at the places herein designated for registration, by the Commissioner of the General Land Office, and to give the registering officers such appropriate matters of description and identity as will protect the applicant and the government against any attempted impersonation. Registration can not be effected through the use of the mails or the employment of an agent, except that honorably discharged soldiers and sailors entitled to the benefits of section twenty-three hundred and four of the Revised Statutes of the United States, as amended by the act of Congress approved March first, nineteen hundred and one (31 Stat., 847), may present their applications for registration and due proofs of their qualifications through an agent of their own selection, having a duly executed power of attorney on a blank furnished by the Commissioner of the General Land Office, but no person will be permitted to act as agent for more than one such soldier or sailor. No person will be permitted to register more than once or in any other than his true name.

**Applicants.**

Each applicant who shows himself duly qualified will be registered and given a nontransferable certificate to that effect, which will entitle him to go upon and examine the lands to be opened hereunder; but the only purpose for which he can go upon and examine said lands is that of enabling him later on, as herein provided, to understandingly select the lands for which he may make entry. No one will be permitted to make settlement upon any of said lands in advance of the opening herein provided for, and during the first sixty days following said opening no one but registered applicants will be permitted to make homestead settlement upon any of said lands, and then only in pursuance of a homestead entry duly allowed by the local land officers, or of a soldier's declaratory statement duly accepted by such officers.

**Drawings.**

The order in which during the first sixty days following the opening, the registered applicants will be permitted to make homestead entry of the lands opened hereunder, will be determined by a drawing for the district publicly held at Billings, Montana, commencing at 9 o'clock a. m., Monday, July 2, 1906, and continuing for such period as may be necessary to complete the same. The drawing will be had under the supervision and immediate observance of a committee of three persons whose integrity is such as to make their control of the drawing a guaranty of fairness. The members of this committee will be appointed by the Secretary of the Interior, who will prescribe suitable compensation for their services. Preparatory to this drawing the registering officers will, at the time of registering each applicant who shows himself duly qualified, make out a card, which must be signed by the applicant, and giving such a description of the applicant as will enable the local land officers to thereafter identify him. This card will be subsequently sealed in a separate envelope which will bear no other distinguishing label or mark than such as may be necessary to show that it is to go into the drawing. These envelopes will be carefully preserved and remain sealed until opened in the course of the drawing herein provided. When the registration is completed all of these sealed envelopes will be brought together at the place of the drawing and turned over to the committee in charge of the drawing, who, in such manner as in their judgment will be attended with entire fairness and equality of opportunity, shall proceed to draw out and open the separate envelopes and to give to each inclosed card a number in the order in which the envelope containing the same is drawn. The result of the drawing will be certified by the committee to the officers of the district and will determine the order in which the applicants may make homestead entry of said lands and settlement thereon.

Notice of the drawings, stating the name of each applicant and number assigned to him by the drawing, will be posted each day at the place of drawing, and each applicant will be notified of his number and of the day upon which he must make his entry by a postal card mailed to him at the address given by him at the time of registration. The result of each day's drawing will also be given to the press to be published as a matter of news. Applications for homestead entry of said lands during the first sixty days following the opening can be made only by registered applicants and in the order established by the drawing.

Notice of drawings.

Commencing on Monday, July 16, 1906, at 9 o'clock a. m., the applications of those drawing numbers 1 to 125, inclusive, must be presented at the land office in Billings, Montana, in the land district in which said lands are situated, and will be considered in their numerical order during the first day, and the applications of those drawing numbers 126 to 250, inclusive, must be presented and will be considered in their numerical order during the second day, and so on at that rate until all of said lands subject to entry under the homestead law, and desired thereunder, have been entered. If any applicant fails to appear and present his application for entry when the number assigned to him by the drawing is reached, his right to enter will be passed until after the other applications assigned for that day have been disposed of, when he will be given another opportunity to make entry, failing in which he will be deemed to have abandoned his right to make entry under such drawing.

How applications will be considered.

To obtain the allowance of a homestead entry, each applicant must personally present the certificate of registration theretofore issued to him, together with a regular application and the necessary accompanying proofs, together with the regular land office fees, but an honorably discharged soldier or sailor may file his declaratory statement through his agent, who can represent but one soldier or sailor as in the matter of registration.

Certificates of registration.

Persons who make homestead entry for any of the ceded lands will be required to pay four dollars per acre, payment in all cases to be made as follows: One dollar per acre at the time of entry, and the remainder to be paid in four equal, annual installments, the first installment to be paid at the end of the second year. Upon all entries the usual fee and commissions shall be paid, as provided for in the homestead laws on lands the price of which is one dollar and twenty-five cents per acre.

Payments.

In case any entryman fails to make the payments herein provided for, or any of them, promptly when due, all rights in and to the lands covered by his or her entry shall at once cease, and any payments theretofore made shall be forfeited, and the entry shall be held for cancellation and canceled, and the land embraced therein shall thereupon be subject to entry at the price and upon the terms above set forth. Lands entered under the town-site and mineral land laws shall be paid for in amount and manner as provided by said laws, but in no case at a less price than that fixed for such lands if entered under the homestead laws.

Forfeiture.

The production of the certificate of registration will be dispensed with only upon satisfactory proof of its loss or destruction. If at the time of considering his regular application for entry it appears that an applicant is disqualified from making homestead entry of these lands, his application will be rejected, notwithstanding his prior registration. If any applicant shall register more than once hereunder, or in any other than his true name, or shall transfer his registration certificate, he will thereby lose all the benefits of the registration and drawing herein provided for, and will be precluded from entering

Rejection of application.

or settling upon any of said lands during the first sixty days following said opening.

Town sites.

Any person or persons desiring to found, or to suggest establishing, a town site upon any of the said lands, at any point, may, at any time before the opening herein provided for, file in the land office a written application to that effect, describing by legal subdivisions the lands intended to be affected, and stating fully and under oath the necessity or propriety of founding or establishing a town at that place. The local officers will forthwith transmit said petition to the Commissioner of the General Land Office with their recommendation in the premises. Such Commissioner, if he believes the public interests will be subserved thereby, will, if the Secretary of the Interior approve thereof, issue an order withdrawing the lands described in such petition, or any portion thereof, from homestead entry, and settlement and directing that the same be held for the time being for disposal under the townsite laws of the United States in such manner as the Secretary of the Interior may from time to time direct; and, if at any time after such withdrawal has been made it is determined that the lands so withdrawn are not needed for town site purposes they may be released from such withdrawal and then disposed of under the general provisions of the homestead laws in the manner prescribed herein.

Disposal of remaining lands.

All persons are especially admonished that under the said act of Congress approved March 3, 1905, it is provided that no person shall be permitted to settle upon, occupy, or enter any of said lands, except in the manner prescribed in this proclamation, until after the expiration of sixty days from the time when the same are opened to settlement and entry, and the lands are not subject to mineral exploration or location during that period. After the expiration of said period of sixty days, but not before, as hereinbefore prescribed, any of said lands which are non-mineral, remaining undisposed of, may be settled upon, occupied, and entered under the general provisions of the homestead and townsite laws of the United States in like manner as if the manner of effecting such settlement, occupancy, and entry had not been prescribed herein in obedience to law, and such of said lands as are mineral will then be subject to the provisions of the mining laws.

Regulations.

The Secretary of the Interior shall prescribe all needful rules and regulations necessary to carry into full effect the opening herein provided for.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the United States to be affixed.

Done at the city of Washington this 24th day of May, in the year of our Lord one thousand nine hundred and six, and of the Independence of the United States the one hundred and thirtieth.

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA.

May 28, 1906.

A PROCLAMATION.

Whereas, in pursuance of an Act of the Congress of the United States, approved March 3, 1905, entitled "An Act To provide for celebrating the birth of the American nation, the first permanent settlement of English-speaking people on the Western Hemisphere, by the holding of an international naval, marine, and military celebration in the vicinity of Jamestown, on the waters of Hampton Roads, in the State of Virginia; to provide for a suitable and permanent commemoration of said event, and to authorize an appropriation in aid thereof, and for other purposes," a proclamation by the President of the United States was duly made and published on March 29, 1905, declaring that there shall be inaugurated on and near the waters of Hampton Roads, in the State of Virginia, an international naval, marine, and military celebration, beginning May 18 and ending not later than November 1, 1907, for the purpose of commemorating the events set forth in said Act; which said proclamation also invited all the nations of the earth to take part therein by sending their naval vessels to the said celebration, and by making such representations of their military organizations as may be practicable;

And Whereas, Section 8 of said Act authorizes the President \* \* \* "to have such portions of our Army and Navy assembled there during the said celebration as may be compatible with the public service. And the President is also authorized to invite participation in said celebration by the militia of the several States, but at their own expense.";

And Whereas accordingly in due season the necessary directions will be issued to the Secretary of War and the Secretary of the Navy for the assembling, upon said occasion, of such portions of our Army and Navy as will fittingly represent these branches of the public service;

Now, therefore, I, Theodore Roosevelt, President of the United States, by virtue of the authority vested in me by said Act and in the name of the Government of the United States, do hereby invite the Governors of the several States and Territories to participate, but at their own expense, in said celebration by sending such organizations of the militia as, in their judgment, will afford proper military representation. The historic nature of this celebration renders it peculiarly appropriate that the representation of the militia should be commensurate with the interest and pride of our people in their citizen-soldiery who have in the many ordeals of our Colonial and National life met their military obligations with superb self-sacrifice and devotion.

Militia invited to attend the celebration.

Ceded lands open to settlement.  
Vol. 23, p. 1020.

And it is further directed and provided that commencing at nine o'clock a. m., on Monday July 16, 1906, and ending at six o'clock p. m., Tuesday, July 31, 1906, a registration will be held at Lander, Shoshoni, and Thermopolis; also, at Worland, provided that the Big Horn Railroad, now in course of construction, shall be completed and doing a passenger traffic to that place on July 16, 1906, for the purpose of ascertaining the names and qualifications of all persons who desire to enter, settle upon, or acquire title to any of said ceded lands under the homestead laws.

Places of registration.

Proviso.  
Big Horn Railroad.

To obtain registration for the purpose of making a homestead entry of any of said ceded lands each applicant will be required to show himself duly qualified under the law to make such entry, and this showing must be made by the presentation of a sworn application for registration executed on a blank furnished by the Commissioner of the General Land Office which can be obtained only at the time and places of registration herein mentioned, and each person registering must give the registering officer such appropriate matters of description and identification as will protect the applicant and the Government against any attempted impersonation.

Applicants.

Registration can not be affected through the use of the mails or the employment of an agent, excepting that honorably discharged soldiers and sailors entitled to the benefits of Section twenty-three hundred

Restrictions on registration.

R. S., sec. 2304,  
p. 422.

Vol 31, p. 847.

and four of the Revised Statutes of the United States, as amended by the Act of Congress approved March one, nineteen hundred and one (31 Stat., 847), may present their applications for registration for the purpose of making a homestead entry and make due proof of their qualifications through an agent of their own selection having a duly executed power of attorney on a blank furnished by the Commissioner of the General Land Office, but no person will be permitted to act as agent for more than one soldier or sailor. No person will be permitted to register more than once, nor will he be permitted to register in any other than his true name.

Certificate of  
registration.

Each applicant who shows himself duly qualified will be registered and given a non-transferable certificate to that effect, and each person holding such certificate will be entitled to go upon any ceded lands subject to entry hereunder and examine such lands, but the only purpose for which he can go upon and examine such lands is to enable him later on, as herein provided, to understandingly select the lands for which he may make entry.

Drawings.

The order in which during the first sixty days following the opening the registered applicants will be permitted to make homestead entry of lands opened hereunder will be determined by a drawing for the district, held at Lander, Wyoming, commencing at nine o'clock a. m., Saturday, August 4, 1906, and continuing for such period necessary to complete the same. The drawing will be had under the supervision and immediate observance of a committee of three persons whose integrity is such as to make their control of the drawing a guaranty of its fairness. The members of this committee will be appointed by the Secretary of the Interior, who will prescribe suitable compensation for their services. Preparatory to this drawing the registration officers will, at the time of registering each applicant who shows himself duly qualified, make out a card which must be signed by the applicant, and give such a description of the applicant as will enable the local land officers to thereafter identify him. This card will be subsequently sealed in a separate envelope which will bear no other distinguishing label or mark than such as may be necessary to show that it is to go into the drawing. These envelopes will be carefully preserved and remain sealed until opened in the course of the drawing herein provided. When the registration is completed all of these sealed envelopes will be brought together at the place of drawing and turned over to the committee in charge of the drawing who, in such manner as in their judgment will be attended with entire fairness and equality of opportunity, shall proceed to draw out and open the separate envelopes and to give to each inclosed card a number in the order in which the envelope containing the same is drawn. The result of the drawing will be certified to the officers of the district and will determine the order in which the applicants may make homestead entry of said lands and settlement thereon.

Notices.

Notices of the drawing, stating the name of each applicant and the number assigned to him by the drawing, will be posted each day at the place of the drawing, and each applicant will be notified of his number and the day upon which he must make his entry, by a postal card mailed to him at the address given by him at the time of the registration. The result of each day's drawing will also be given to the press and published as a matter of news. Applications for homestead entry during the sixty days following the opening can be made only by registered applicants and in the order established by the drawing.

Applications,  
Post, p. 2323.

Commencing August fifteenth, nineteen hundred and six, at nine o'clock a. m., the applications of those persons drawing numbers 1 to 100, inclusive, entitling them to make homestead entries, must be

presented at the land office at Lander, Wyoming, in the land district in which the said lands are situated and will be considered in their numerical order during the first day, and the applications of those drawing numbers 101 to 200, inclusive, entitling them to make homestead entries, must be presented and will be considered in their numerical order during the second day, and so on, Sundays excluded, at the rate of 100 such applications per day until and including August twenty-fifth, nineteen hundred and six; on and after August twenty-seventh, nineteen hundred and six, such applications will be considered in like manner at the rate of 120 per day, Sundays excluded, until and including September sixth, nineteen hundred and six; on and after September seventh, nineteen hundred and six, such applications will be considered at the rate of 140 per day, Sundays excluded, until and including September eighteenth, nineteen hundred and six; on and after September nineteenth, nineteen hundred and six, such applications will be considered at the rate of 160 per day, Sundays excluded, until and including September twenty-ninth, nineteen hundred and six; and on and after October one, nineteen hundred and six, such applications will be considered at the rate of 170 per day, Sundays excluded, until and including October thirteenth, nineteen hundred and six, the expiration of the sixty day period.

If any applicant fails to appear and present his application to make a homestead entry, when the number assigned to him by the drawing is reached, his application to enter will be passed until after the other applications assigned to that day have been disposed of when he will, on that day be given another opportunity to make entry, and if he fails to do so he will be deemed to have abandoned his right to make entry under such drawing.

To obtain the allowance of a homestead entry each applicant will personally present the certificate of registration theretofore issued to him, together with a regular homestead application and the necessary accompanying proofs, together with the regular land office fees, but an honorably discharged soldier or sailor may file his declaratory statement through his agent, who can represent but one soldier or sailor as in the matter of registration.

The production of the certificate of registration will be dispensed with only upon satisfactory proof of its loss or destruction. If, at the time of considering the regular application to enter, it appears that the applicant is disqualified from making homestead entry on these lands his application will be rejected notwithstanding his prior registration. If any applicant shall register more than once hereunder or in any other than his true name, or shall transfer his registration certificate, he will thereby lose all the benefits of the registration and drawing herein provided for and will be precluded from entering or settling upon any of said lands during the first sixty days following the opening.

Persons who make homestead entries for any of the ceded lands within two years after the opening of the same to entry shall pay one dollar and fifty cents per acre for the lands embraced in their entries and for all of the ceded lands thereafter entered under the homestead laws the sum of one dollar and twenty-five cents per acre shall be paid, payment in all cases to be made as follows:

Fifty cents per acre at the time of making entry and twenty-five cents per acre each year thereafter until the price per acre hereinbefore provided shall have been fully paid. **Forfeiture.**

In case any entryman fails to make the payments hereinbefore provided for under homestead entries within the time stated, the right of said entryman to the lands covered by his or her entry shall be forfeited and the entry will be canceled.

**Townsites.**

Any person or persons desiring to found, or to suggest establishing a townsite upon any of the said lands, at any point may, at any time before the opening herein provided for, file in the land office a written application to that effect, describing by legal subdivisions the lands intended to be affected, and stating fully and under oath the necessity or propriety of founding or establishing a town at that place. The local officers will forthwith transmit said petition to the Commissioner of the General Land Office with their recommendations in the premises. Such Commissioner, if he believes the public interests will be subserved thereby will, if the Secretary of the Interior approve thereof, issue an order withdrawing the lands described in such petition, or any portion thereof, from homestead entry and settlement and directing that the same be held for the time being for disposal under the townsite laws of the United States in such manner as the Secretary of the Interior may from time to time direct; and, if at any time after such withdrawal has been made it is determined that the lands so withdrawn are not needed for townsite purposes, they may be released from such withdrawal and then disposed of under the general provisions of the homestead laws in the manner prescribed herein.

**Mineral locations.**

The lands entered under the townsite, coal and mineral land laws shall be paid for in amount and manner provided by the laws under which they are entered, and unless entry and payment under mineral locations shall be made within three years from date of location all rights thereunder shall cease.

Vol. 33, p. 1016.

After the expiration of said period of sixty days, but not before, as herein prescribed, any of said lands remaining undisposed of may be settled upon, occupied, entered, or located under the general provisions of the homestead, townsite, coal and mineral land laws of the United States in like manner as if the manner affecting such settlement, occupancy, entry, and location had not been prescribed herein in obedience to law.

**Regulations.**

The Secretary of the Interior shall prescribe all needful rules and regulations necessary to carry into full effect the opening herein provided for.

And all the lands of said Uncompahgre Reservation not theretofore allotted in severalty to said Uncompahgre Utes shall, on and after the first day of April, eighteen hundred and ninety-eight, be open for location and entry under all the land laws of the United States; excepting, however, therefrom all lands containing gilsonite, asphalt, elaterite, or other like substances.

Whereas, a dreadful calamity has befallen our sister republic of Chile in the destruction by earthquake of Valparaiso and other localities; Valparaiso earthquake. Preamble.

And whereas, we of this nation at this moment see the city of San Francisco struggling upwards from the ruins in which a like catastrophe overwhelmed her last spring;

And whereas, we keep keenly in mind the thankful appreciation we felt for the way in which the peoples of Europe, Asia, and the Americas came forward with generous offers of assistance;

Now therefore, in this time of woe of our sister republic I ask that our people out of their abundance now strive to do to another as others last spring did to us. The National Red Cross Association has already taken measures to collect any subscriptions that may be offered for this purpose, and I trust that there will be a generous response. Ante, p. 225.

Whereas, It is provided by section two of the Act of Congress, approved June 8, 1906, entitled, "An Act for the preservation of American Antiquities," "That the President of the United States is hereby authorized, in his discretion, to declare by public proclamation historic land marks, historic and prehistoric structures, and other objects of historic or scientific interest that are situated upon the lands owned or controlled by the Government of the United States to be National Monuments, and may reserve as a part thereof parcels of land, the limits of which in all cases shall be confined to the smallest area compatible with the proper care and management of the object to be protected;"

And, whereas, the lofty and isolated rock in the State of Wyoming, known as the "Devils Tower," situated upon the public lands owned and controlled by the United States is such an extraordinary example of the effect of erosion in the higher mountains as to be a natural wonder and an object of historic and great scientific interest and it appears that the public good would be promoted by reserving this tower as a National monument with as much land as may be necessary for the proper protection thereof;

## A PROCLAMATION.

## Preamble.

THE time of year has come when, in accordance with the wise custom of our forefathers, it becomes my duty to set aside a special day of thanksgiving and praise to the Almighty because of the blessings we have received, and of prayer that these blessings may be continued. Yet another year of widespread well-being has past. Never before in our history or in the history of any other nation has a people enjoyed more abounding material prosperity than is ours; a prosperity so great that it should arouse in us no spirit of reckless pride, and least of all a spirit of heedless disregard of our responsibilities; but rather a sober sense of our many blessings, and a resolute purpose, under Providence, not to forfeit them by any action of our own.

Material well-being, indispensable tho it is, can never be anything but the foundation of true national greatness and happiness. If we build nothing upon this foundation, then our national life will be as meaningless and empty as a house where only the foundation has been laid. Upon our material well-being must be built a superstructure of individual and national life lived in accordance with the laws of the highest morality, or else our prosperity itself will in the long run turn out a curse instead of a blessing. We should be both reverently thankful for what we have received, and earnestly bent upon turning it into a means of grace and not of destruction.

Thursday, November 29, 1906,  
set apart as a day  
of national thanksgiving.

Accordingly I hereby set apart Thursday, the twenty-ninth day of November, next, as a day of thanksgiving and supplication, on which the people shall meet in their homes or their churches, devoutly acknowledge all that has been given them, and to pray that they may in addition receive the power to use these gifts aright.

IN WITNESS WHEREOF I have hereunto set my hand and caused the seal of the United States to be affixed.

March 2, 1907.

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA

## A PROCLAMATION

Tillamook Forest  
Reserve, Oreg.  
Preamble.

Vol. 26, p. 1103.

Forest reserve,  
Oregon.

Lands excepted.

Coal lands.

Reserved from  
settlement.

WHEREAS, the public lands in the State of Oregon, which are hereinafter indicated, are in part covered with timber, and it appears that the public good would be promoted by setting apart said lands as a public reservation;

And, whereas, it is provided by section twenty-four of the Act of Congress, approved March third, eighteen hundred and ninety-one, entitled, "An act to repeal timber-culture laws, and for other purposes," "That the President of the United States may, from time to time, set apart and reserve, in any State or Territory having public land bearing forests, in any part of the public lands wholly or in part covered with timber or undergrowth, whether of commercial value or not, as public reservations, and the President shall, by public proclamation, declare the establishment of such reservations and the limits thereof";

Now, therefore, I, Theodore Roosevelt, President of the United States of America, by virtue of the power in me vested by section twenty-four of the aforesaid act of Congress, do proclaim that there are hereby reserved from entry or settlement and set apart as a Public Reservation, for the use and benefit of the people, all the tracts of land, in the State of Oregon, shown as the Tillamook Forest Reserve on the diagram forming a part hereof;

Excepting from the force and effect of this proclamation all lands which are at this date embraced in any legal entry or covered by any lawful filing or selection duly of record in the proper United States Land Office, or upon which any valid settlement has been made pursuant to law, and the statutory period within which to make entry or filing of record has not expired; and also excepting all lands which at this date are embraced within any withdrawal or reservation for any use or purpose to which this reservation for forest uses is inconsistent: Provided, that these exceptions shall not continue to apply to any particular tract of land unless the entryman, settler, or claimant continues to comply with the law under which the entry, filing, or settlement was made, or unless the reservation or withdrawal to which this reservation is inconsistent continues in force; not excepting from the force and effect of this proclamation, however, any land within the boundary herein described, which has been withdrawn to protect the coal therein but this proclamation does not vacate any such coal land withdrawal; and provided that these exceptions shall not apply to any land embraced in any selection, entry or filing, which has been allowed or permitted to remain of record subject to the creation of a permanent reservation.

Warning is hereby given to all persons not to make settlement upon the lands reserved by this proclamation.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the United States to be affixed.

Done at the City of Washington this 2d day of March, in the year of our Lord one thousand nine hundred and seven, and  
[SEAL.] of the Independence of the United States the one hundred and thirty-first.
